Re: **Permit Fees for 2002-2003 Fiscal Year, Minerals Regulatory Program**

Dear Permittee:

We are now entering our fifth year of annual permit fee assessment as authorized by the Utah State Legislature in 1998. In order to help balance shortfalls in Division Program funding, the legislature has approved an increase in the annual fees as follows:

Exploration projects	from \$100.00	Now \$150.00
Small Mines	from \$100.00	Now \$150.00
Large Mines (less than 50 acres disturbed)	from \$350.00	Now \$500.00
Large Mines (over 50 acres disturbed)	from \$750.00	Now \$1,000.00

The minerals rules require the payment of an annual permit fee for all active exploration and mining permits (note: the project may be inactive; however, if the site has not been fully reclaimed and released by the Division, the permit remains active. The permit fees are due by the last Friday of July for the next fiscal year.

Permit Fees for the 2002-2003 fiscal year are due by July 26, 2002.

Note: If the site is fully reclaimed (*i.e., 3 growing seasons have passed & conditions meet the 70% pre-mining vegetation standard*) and you no longer wish to keep your permit active, you may ***check the box*** on the billing form requesting a site inspection (*see #5 on the attached sheet*). ***Before you check the box requesting an inspection and file closure***, please make certain that all mining related waste, trash and debris have been removed, and that the vegetation is well established.

Delinquent fee notifications will be turned over to the Utah Office of Debt Collection (see #6 on attached sheet). The Division cannot accept payment for delinquent fees. Only the current year fees are accepted and processed by the Division. Payment of any delinquent fees from previous years must be arranged through the Office of Debt Collection – call (801) 538-3603.

Please see reverse side of this sheet for detailed instructions on the payment of fees.

Sincerely,

D. Wayne Hedberg
Permit Supervisor
Minerals Regulatory Program
